Reaching life's greatest achievements
one Milestone at a time!

Reaching life's greatest achievements one Milestone at a time!

Milestone Homes services DDD members by providing a family structured stable living environment where they will feel accepted, loved, and safe. Milestone homes extends care to adults, children, and their siblings. Our promise is to provide our members with the solid foundation needed to reach life's greatest achievements one milestone at a time.

It is Milestone's belief that all people deserve to be raised in a family like setting with adults who will care, love, and support them through life. To do this it is our goal to create quality family homes that can house these members for the long term stay while keeping committed staff, consistency in the home, and care at its best. This is especially important for members who have developmental disabilities and if given the chance could also live with and have the support alongside their siblings.

While there are many facilities providing shelter, we see room to provide better care by putting in time and efforts to support members beyond expectations, all while living in a family-oriented environment where Milestone family Homes will extend and devote their time to the development and collaboration of the entire family and staff.

ABOUT MILESTONE

WHAT WE OFFER

- Family model with invested owners
- Birthday and holiday celebrations
- Personalized home to each member's needs
- Staff invested in members' successes
- Family meals
- Vacations (80% of residents go on two vacations, camping trips, or camps per year)
- Individual faith and religious practices honored
- Optional: Family dog within the home (therapeutically trained, hypoallergenic Labradoodles)

LIFE SKILLS

- Opportunities to participate in everyday home and life responsibilities and skills (e.g., cooking classes, helping take care of dogs, chores, help finding a job, opening a bank account, etc.)
- Volunteering and Community Outings
- Swimming
- Participation in Special Olympics
- Shopping
- Visits to community events
- Optional: Weekly church services
- Help at a local community garden and food distribution center
- Monthly "adventure days" — a Saturday outing planned for members to have fun and live their own adventure (e.g., hiking, laser tag, team building activities)

LOVING & PROFESSIONAL STAFF

- Trauma informed
- Staff tenure double the industry average
- Understand and respect each person's individual needs
